

Teach a Xhosa person to read 2

This chapter introduces the new sounds **z**, **f**, **j**, **v**, **w**, and **r**, while revising all the previously learnt ones.

It is good to make sounds, syllables and words on cards, to supplement these worksheets. People love to build up their own words, using sound and syllable cards, and also to make their own sentences using words on cards.

Try to make a story of each sound chart, where possible. Like, for example, this first one: “Here is a loaf of bread. Would you use an axe, or a knife, to cut it?” And in the next one, let the student imagine walking in the veld and coming across a tortoise, a frog, and then a snake....
