

Teach a Xhosa person to read 5

This chapter introduces the sounds **hl**, **dl** and **tl**.

You don't need to use all the sound charts – choose the ones you or your students like best, and use them. Sounds on cards are great too. Use them for word building and for quest games – lay out a whole lot and get your students to point out or pick up the sounds that you say. Make words on cards too. Try many different ways of helping your students learn to read.
