

***Five Loaves Two Fish* The Klipplaat Remedial Reading Project September 2018**

“Whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God the Father through Him.”

The Klipplaat Remedial Reading Project continues to go well. Every week day, our teachers are at the Brandovale Primary School, patiently and lovingly helping children learn to read. One by one, or sometimes in groups of two or three, children are called out of class to receive individual instruction. Most of the children – about 100 in all – show good progress after a few months of remedial help.

We are sad to report that Mrs Doreen Williams, who was our leading remedial teacher for many years, has just died. On the left is a photo of her teaching a child to read in 2009, the first year of this project. The photo below, taken in 2011, shows her on the left, with her colleagues, Mrs Alet Bruiners and her daughter, Ms Celeste Williams. The three of them were a powerful team of remedial teachers until ill health forced Mrs Williams to retire at the beginning of last year.

We were sad to learn of her passing, and extend our condolences to her family. She was the “principal” of the group for many years. Her expertise, enthusiasm and above all, her love for the children, were an inspiration to all of us.

Happier news is that we can congratulate two Klipplaat teachers-in-training whose study fees were paid by *Five Loaves Two Fish*. They have just passed their final exams and been awarded the National Professional Diploma in Education. Ms Celeste Williams, seen here on the left, has been one of our remedial teachers since 2011, and Ms Claudia Warren, on the right, has been a volunteer teacher at the Klipplaat High School since 2014.

Ms C. Williams, now a qualified Foundation Phase teacher

Ms C. Warren, now a qualified senior geography teacher

It is good to know that not only are children learning to read, but people are becoming qualified teachers because of the opportunity that *Five Loaves Two Fish* gives them to study by correspondence. Thank you to all our donors, near and far.
