

## ***Five Loaves Two Fish*** The Klipplaat Remedial Reading Project August 2019

“Whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God the Father through Him.”

The Klipplaat Remedial Reading Project at the Brandovale Primary School is going well. Thanks to our generous donors, we have found it possible to revert to having three reading support teachers, as in the past, instead of just two. Our new young teacher-in-training is Ms Monique May, pictured below on the right. Ms Benesia Grootboom is on the left, and the leader of the group, retired foundation phase teacher, Ms Alet Bruiners, is in the middle.

Both Ms Grootboom and Ms May are young Klipplaat matriculants who are keen to study education by correspondence. ***Five Loaves Two Fish*** will pay their fees. Under the guidance of Ms Bruiners, they are learning the practical side of how to help children learn to read.

All three of them can be found in the reading support classroom every school day, helping the more than 100 children on their lists.

If you know someone who is involved in helping children learn to read, you might like to point them to our website: [www.fiveloavestwofish.org.za](http://www.fiveloavestwofish.org.za) where they will find free printable resources in Afrikaans, in English, and more recently, in isiXhosa. All over the country there are so many children needing help with reading.

Thank you to all of you who take an interest in this project. Because of you many children are getting a chance to learn.
