

“Whatever you do in word or deed, do all in the name of the Lord Jesus,
giving thanks to the Father through Him.”

The fourth term of 2021 has seen some changes for our teachers at the Klipplaat primary school. While Mrs Bruiners has continued to teach children to read from her home, as seen in the photo on the left, Ms Grootboom (below) has been asked to become the Grade 1 class teacher for the term. She is currently studying by correspondence to become a qualified educator, so this classroom experience is valuable to her, and she is enjoying it very much.

Meanwhile, in the remedial reading classroom, Ms May soldiers on alone every day, helping children with their reading. She too is studying education by correspondence, and her fees, as well as those of Ms Grootboom and several other young people in Klipplaat, are paid by ***Five Loaves Two Fish***.

At the high school, learner-teacher Mr Brian Devine has been entrusted with the teaching of Afrikaans Home Language to every grade in the school, a huge responsibility. He has achieved excellent results, and the children love him. His salary and his study fees are paid by ***Five Loaves Two Fish***.

We need to appeal for more donations, so that the good work of our teachers can continue. We thank all of you whose generous support has made our project possible, and hope that more people will come forward to contribute to the work. Both the children who receive help, and the young teachers whose futures are made possible by the funding of their study fees, will be blessed by your support.
