giving thanks to the Father through Him.”

The **Five Loaves Two Fish** Remedial Reading Project went well in 2022. Thanks to all our donors, we have been able to continue our programmes in the Klipplaat schools.

Here on the left are our three remedial teachers: Ms Monique May, Mr Chivandre Bruiners, and Ms Alet Bruiners, the leader of the group. Every school day they could be found in the remedial reading classroom, enthusiastically teaching children to read or helping them to read better. There is a tremendous need for this work, and our teachers have almost 100 children on their list.

Ms Benesia Grootboom used to be one of our remedial teachers, but this year was asked to help the school out as a Grade 1 class teacher. She has enjoyed this very much and the Foundation Phase HOD has been pleased with her work.

At the Klipplaat high school, Mr Brian Devine, on the right in the photo below, has continued his excellent work as a matric Afrikaans teacher, and Mr Donovan Grootboom has been working as senior Geography teacher.

In addition to paying the salaries of our teachers, **Five Loaves Two Fish** also pays the study fees of those who are studying by correspondence to become fully qualified. We thank all our donors, both local and overseas. Your generosity makes a big difference in the lives of the children who are taught and of the teachers themselves.
