

Five Loaves Two Fish The Klipplaat Remedial Reading Project March 2022

“Whatever you do in word or deed, do all in the name of the Lord Jesus,
giving thanks to the Father through Him.”

The Covid-19 pandemic has at last abated enough for school to return to normal, with all pupils attending classes every day. Our teachers are enjoying having Mrs Bruiners (in the photo on the left) back in the remedial reading classroom, instead of teaching from home, as she has done for the past two years. Ms May (below) teaches alongside her, helping children learn to read.

Meanwhile Ms Grootboom (below) is now teaching Grade 2, enjoying being a full time class teacher and finding it valuable experience. The Foundation Phase head is very pleased with her work.

At the end of last year our Mrs Bruiners was invited to travel to Graaff-Reinet to help train seven keen learner-teachers who are part of a similar remedial reading project at various primary schools there. The workshop was a great success. Here below you can see three of them posing as pupils while Mrs Bruiners demonstrates her teaching methods.

At the Klipplaat high school, our two *Five Loaves Two Fish* teachers carry on with their good work. Mr Devine is to be congratulated on all of his matrics passing Afrikaans Home Language in 2021.

Thank you to everyone who has stepped forward to support this project. Your generosity makes a difference in the lives of both the children who are helped with reading, and the teachers themselves, whose salaries and correspondence study fees are paid by *Five Loaves Two Fish*.
